Los Angeles Mermaid Confident New American Tank Mark Will Be Made

"Dorothy Burns is undoubtedly the coming world's champion of womeen swimmers," said Vance Veith, swimming coach of the Los Angeles Athletic club recently. And this statement holds good in regard to the American champion who will defend her record in the meet on the harbor this evening. Dorothy Burns is popular in swimming circles, as she is always willing to meet an opponent over any distance from 50 yards to a mile. It will be remembered that the Los Angeles mermaid set three new records in one day in Honolulu last February. By MISS DOROTHY BURNS.

The races this evening on the harbor promise to be one of the real aquatic features of the year.
